**The View  
From My Window**  
WITH PASTOR JOEL

My wife has been talking for years about cleaning out our garage & getting rid of some things we've not even looked at since we put them on a shelf when we moved in. Finally I'm beginning to come over to her side.

We have several boxes filled with items I've held onto for sentimental reasons that I will seriously never use & I know none of my kids will have any interest in after I'm gone. If we ever need to move again I don't want to lug those boxes along & why wait until then to get rid of them? I'll have enough to do packing what's necessary to have to deal with clutter.

But suppose the stuff I was hoarding was actually detrimental to my health & everyone I love? What if I had boxes filled with asbestos, DDT & TNT? You'd say, "Pastor get rid of that mess before it kills you & destroys your family!"

You may have collected character traits that are just as harmful & its time to get rid of them before they cause any more harm! That's what we'll be talking about today.

- Pastor Joel
