**The View  
From My Window**  
WITH PASTOR JOEL

My wife's friend has mice in her apartment building. She saw signs of them: crumbs, droppings, etc. Then one day as she was on the phone with Barb she saw one of them skitter across her floor -- she totally freaked out. Because it ran into her kitchen she refused to go into that room anymore. She knew she had mice because of the evidence left behind, but actually seeing one took her anxiety to a whole new level.

This morning we are going to talk about the evidence of the Baptism in the Holy Spirit. The experience is greater than the evidence. Don't get hung up on the evidence; seek a deeper walk with God: that's a good experience.
