**The View
From My Window**
WITH PASTOR JOEL

My Uncle Bob & Aunt Grace used to have a small aquarium. Their favorite residents in the tank were guppies. Guppies are colorful & prolific reproducers. If they were able to catch the moment a new brood of guppy babies were born, they'd slide a piece of glass into the aquarium to separate them from their parents. *Why? The parents would eat their children!* Only when the kids were big enough to fend for themselves would the glass be removed.

In today's text Paul tells us its good for us not to look at our kids as though they are here to feed our ego. We are here to help them grow & mature into godly, productive adults. Teach them to swim then cheer as they go.

- Pastor Joel
