### The View From My Window WITH PASTOR JOEL

It's been said that one snowflake never hurt anyone but when it gets together with enough of its kind they can stop traffic. Today we begin a new series on prayer by talking about the accumulative effect of our prayers. The Bible says, "If my people will humble themselves & pray ... I will heal their land." Jesus taught us to keep on asking for what we need. Let's create a snowstorm of prayer in heaven! If all of us participate & we keep on asking, heaven is sure to notice.

Christmas is only three months away! Soon we'll be trading our shorts & shirt sleeves in for long johns & mittens. Jesus is coming again soon; we'll be trading these old bodies & all our earthly problems in for glorified bodies & everlasting peace. Don't waste these few short days you have left – pray.
