The View from My Window

with Pastor Joel

I'm starting to think we're born messed up then acquire a few viruses in our programming even as we learn and grow. Through adulthood we try to discover what happened to us during our developmental years and repair what we can. Maybe this next mini-series can help us identify some of our quirks and give us a few tools to help fix them. Here's a road map to this series: 1) Self Awareness, 2) Self-Management, 3) Social Awareness, 4) Relationship Management. As always, we'll be using solid Biblical principles to help us navigate the waters of life. I'm really looking forward to it and hope you are too.
