## The View from My Window

with Pastor Joel

When I was a boy, I had a Johnnie West action figure and one of the highlights of my life was getting his horse, Thunderbolt! My Dad took me to K-Mart, we perused the isles through the toy section until we came to the right place; there were only two Thunderbolts left. I grabbed the 1<sup>st</sup> box and we were off to the registers. We weren't long in the car headed for home when I opened the box but what a surprise I got. The horse was inside but none of the accessories, no saddle, saddlebags, bridle, gun case, nothing. Dad turned the car around and we marched right back into the store. Moments later my life was whole again.

Without the saddle Johnnie just slid off Thunderbolt and he'd have to carry his Winchester everywhere he went. Although I eventually lost most all of the accessories, I wanted what I'd paid for and enjoyed them while they lasted.

Our salvation comes with wonderful accessories that make our lives exciting, purposeful, meaningful and useful. Most believers, however, opt for the basic salvation: sins forgiven and a reservation in heaven. Such a waste of time and space! Go back for more. Find out what you were created to do then do it with gusto.
