The View from My Window

with Pastor Joel

Recently, induction ceremonies for the NFL Hall of Fame classes of 2020 & 2021 were held in Canton, Ohio. That was the same weekend the Steelers beat the Cowboys in the 1st preseason game of the year. I enjoyed watching and listening to many of the inductee's speeches. Of special note was how almost to a man they thanked their wives for the support they'd given them through their career. Even more special was that several of them noted that they'd met their wife in the 8th or 9th grade. That meant that these women were there by their side long before they were standouts in college and well before their talents produced huge paychecks. Getting drafted, recovering from injuries, surgeries, trades, contract negotiations, fighting for a roster spot, moving from one end of the country to the other... Through all that and more, these ladies had stood by their men. And the men were very clear that their spouse's support was vital to their success both on and off the field. Life is a team sport. Be thankful for the members of your team.
