

MINISTRY OPPORTUNITIES

STEPHEN'S LEGACY

This ministry aids members of our church & community with health needs, home or car repairs, financial aid, meals and transportation. If you or someone you know is in need of help in any of these areas, email hello@nla.today.

The View from My Window

with Pastor Joel

Ever get tired of seeing the same commercial over and over again? There's a certain insurance company, in fact, come to think of it, I think I'm tired of seeing insurance company commercials period. You don't suppose they're trying to be so annoying it's impossible to forget their name, do you?

Well, I hope I'm not being annoying by tackling the subject of husbands and wives one last time in this series. Its important to have a realistic picture of what to expect from a relationship so the enemy doesn't convince you that your marriage is doomed when in fact you're experiencing obstacles common to living with a life long partner.

I'm told that catchup was formulated to hide the taste of bad meat back in the day when the industry wasn't well regulated. Cook the foul beef and smother it with catchup in order to get it past your taste buds. Love is relationship catchup. It helps you tolerate your spouse's shortcomings so you can enjoy the nourishment of their strengths and gifts. When your partner goes through a foul season, pour out a little more love.
