

MINISTRY OPPORTUNITIES

STEPHEN'S LEGACY

This ministry aids members of our church & community with health needs, home or car repairs, financial aid, meals and transportation. If you or someone you know is in need of help in any of these areas, email hello@nla.today.

If you would like to **donate** to Stephen's Legacy, simply write "Stephen's Legacy Donation" on your check and drop it in the offering.

The View from My Window

with Pastor Joel

Social engineers are talking about the day when the only people who need to go to work are those who want to go to work. Automation will produce and deliver any goods or services our hearts can desire. When you call a company, you'll be talking to a computer that sounds and responds "just like a human". We'll even have robots with the capability to fix robots, computers, automobiles, etc. Our only occupation will be deciding what we would like to do with our time.

I happen to think that work is a blessing from God. Many of my friends, although there are things they'd change about their jobs, actually enjoy working. Some of them work in their spare time. While there are those who are overwhelmed there are others who find satisfaction and contentment by staying busy (but not too busy).

Have you found a good balance between working, resting, and recreating? Are there any changes you need to make in order to make yours a life worth living?
