The View from My Window

with Pastor Joel

The Bible tells us that the love of money is the root of all kinds of evil. It also teaches that the lack of money is often the result of living foolishly. Blaming the economy or other people when we neglect the wisdom given to us through God's Word to develop marketable skills, tithe our income (giving 10% of our earnings to the Lord's work), spend sparingly, save & invest consistently, and give generously is the roadmap to financial ruin. The Lord Himself promises to put holes in the pockets of those who disobey His directives and to increase the savings of those who obey.

Personally, I'm amazed at how much money people are unable to live on. I've counseled a number of couples through the years who make two or three times as much money as I do who have nothing but debt to show for it. As disastrous as their disobedience to God's Word has been, most of them just can't take that "leap of faith" in order to land in the Lord's secure arms. Remember, the 1st step to getting out of a hole is to stop digging. Turn your finances over to the Lord and start reaping a harvest instead of losing your shirt.
