The View from My Window

with Pastor Joel

Happy Mother's Day! Paul put the phrase, "faith, hope & love" together as he called for maturity among believers as they use the gifts God has given to us. It would be hard to find three words that better state the temperament of a godly mother. She leads her children to the Lord, instills a hope beyond this life in them, and loves them like no one else. Just this week I saw in my news feed how a lady took on a deadly snake to protect her children. Remove the children from the scenario and that lady would have run for her life but with their lives on the line, the snake didn't stand a chance. Motherhood is a clear reflection of God's character. Mom, your love for your child/children channels the presence and power of the Lord into your family. Being a mother can, at times, be a thankless job but it is never an unnecessary one. We love you, keep up the good work!
