The View from My Window

with Pastor Joel

My mother was very generous and giving toward us kids. One thing she was generous with was discipline. She was bent on raising good citizens of both the United States and the Kingdom of God. We were created by God and for His pleasure; so was everyone else in the world and the world itself. For the longest time we believers have been tiptoeing around like we're an intrusion to the party. Actually, we are the party, we belong here, it's our Father's world. It's time for the riffraff to start acting right or go find their own planet. A long time ago perverted people started crying "freedom of expression", "1st Amendment Rights!" when their immorality was censored. Moral watchdogs backed off in order to "share the stage" and the enemy's true colors were unfurled. They had no intention of sharing anything. Now we're being censored right off the map! Conservative voices are being banned from college campuses, twitter & many other social media and public forums. It's time for us to claim, "freedom of expression" & "1st Amendment Rights". If they can curse, we must be insured the right to bless. If they can lie, we must take the initiative to speak the truth. "People get ready Jesus is coming to take from the world His own."
