## The View from My Window

With Pastor Joel

God has given us a blank check when it comes to wisdom. Ever not know what to do? Here's what to do whenever you don't know what to do: ask God what you should do. James promises us that if we ever lack wisdom we should ask God because He loves to answer that prayer.

God is not limited to spiritual questions. He knows science, psychology, finances, plumbing, auto repair, roofing, how to raise children... Even if you think you know exactly what to do, go ahead and ask for His input anyway. It could be you'll learn a whole new way of doing whatever it is you need to do, and better. Stop being the person who forgets to pray before doing whatever and make seeking God's advice a habit.
