The View from My Window

With Pastor Joel

The story of Esther is so iconic because we find a young lady elevated to a wonderful position only to find out it put her in the crosshairs of a very volatile situation. How true to life! You got married to live happily ever after only to find out marriage brought along a number of challenges you never anticipated. The day your child was born was one of the happiest days of your life. Lately, your child has been on a rebellion kick. The job of your dreams has turned into a nightmare...

The good news is that this is not how your story ends. This is just the prelude to a wonderful deliverance. God's not done writing your story. If Esther hadn't faced such a terrible threat we'd never have heard of her. As it is, her life still speaks thousands of years after she finished her journey. Esther inspires us to keep our faith glowing even when it gets dark all around us. Disaster turned into deliverance because she put her faith in the Lord. Trust God with your marriage, children, job, health, finances...
