The View from My Window

With Paies stor Joel

A few years ago I wrote a story about how I thought Stinky Levi would have experienced that first Passion Week. I read the story to the congregation and got some very good feedback on how it brought a very personal touch to the Easter account. This being the last Easter I'll be here as your pastor, I thought it fitting to read this story once again. I hope the memory of Stinky Levi, Leah, David & Benjamin (I almost forgot to mention the donkey - I wonder what he'd have to say about that!) and their adventures will stick with you for a very long time. Happy Easter my dear friends
