Giving Opportunity

Lucas & Mandi Geiman are planning a very critical trip to Boston June 15-23 in order to go to the Pitt Hopkins Clinic to get help for their two daughters, Bryleigh & Belle, who are both diagnosed with Pitt Hopkins Like 1 Syndrome. Because of this syndrome being so rare (a total of 32 cases recorded around the world), they are in need of seeing medical professionals who specialize in Pitt Hopkins Syndrome. There are a lot of costs involved in making this trip and we are inviting the New Life Family to be a part of relieving some of the financial burden for the Geiman's as they make this trip. **From now through April 28 you can give towards this trip and Stephen's Legacy has committed to match the money raised during that time frame, up to \$1000.** You can make checks out to NLA. In the memo line write: Geiman Family, and drop checks in the offering. If you'd like to give cash, there are envelopes on the shelves in the back of the Sanctuary. On the line marked "other" specify with "Geiman Family."

The View from My Window

With Pastor Joel

Sometimes, even though Jesus did great things, people asked Jesus to leave. He is the greatest human being of all time, yet some people didn't like Him. On the other hand, or should I say, on the other side of the lake, people loved Him! Try to remember that the next time someone fails to see how utterly delightful you are.

No one is universally loved. Some people hate us just because of the color of our skin or our nationality or our profession or where we live or... You get the picture. We can't control who loves us, but we can choose to love everyone else. I know, that takes a little more effort for some than others, but it's a good exercise. It will strengthen your connection with Jesus. It will give you an opportunity to shine the light of Jesus on others even if they don't deserve it, but then again, who does?
