The View from My Window

With Pastor Joel

The Disciples had a hard time believing that Jesus had risen from the dead. They didn't just see Him die, they saw his body ripped to shreds, slump lifeless on the cross then have a spear thrust up through His side. Jesus was dead and His body was ruined. The words Jesus had spoken to them about all that was to happen didn't prepare them for the reality they experienced. When they were told Jesus had risen from the dead, they didn't believe it. Their unbelief strengthens our faith because unless Jesus appeared to them after the crucifixion, there's no way they would have become martyrs for something they doubted, much less flat out didn't believe.

The resurrection is a historical fact better documented than most events we take for granted. Jesus' birth, life, death & resurrection changed history so much it has become the pivotal point in human history, flipping our calendars from B.C. to A.D. Everything before Christ was preparation, and everything since has been His affect on us all.
