## The View from My Window

With Pastor Joel

How do you start a church? If it's a real church, only the Lord can start it. "Unless the Lord builds the house, they labor in vain that build it." "If the Lord builds the house nobody can tear it down." Anyone who has been in church for very long can tell you it ain't easy to do church long-term with others. Generally speaking, churches don't spring up overnight and keep growing until Jesus returns.

A "seed" gets planted, a few people get together, volunteers step up to fill the various programs & duties required to help the church grow: nursery workers, greeters, worship leaders, Sunday School teachers... A few people do a lot of work in order for others to simply come and worship.

In Acts 2 we read about when the first church was born. In one day, 3,000 people joined! How would you like to organize that? Since many of them were from out of town, people needed places to live and work. Until those needs were met, they needed food, temporary housing, and everything from mats to sleep on to changes of clothing. Again, I ask, how would you like to organize that? It's funny how much there is to do in something inspired by God. We could use your help, you in?
