The View from My Window

With Pastor Joel

We're in the middle of a storm. Long held values are being trashed while things the Bible condemns are being embraced. You can get expelled from school, lose your job and be blacklisted for quoting Bible verses that express disapproval of sin yet secure a scholarship or get a promotion for practicing said sins! Living in such a way as to promote a healthy lifestyle will get you in trouble while doing things that degrade your body and your family will win the approval of today's social police.

It's getting darker and the winds are picking up all the time. If you are going to hold on to your faith through this hurricane, you will need to anchor your soul to the Word of God. You will need to be willing to pay a hefty price for your loyalty to God's revealed will. You in?
